

Court of Appeals, State of Michigan

ORDER

Stacy L Corlew v Chad E Corlew

Docket No. **356876**

LC No. **16-030877-DM**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED IN PART** for lack of jurisdiction. The portion of the March 24, 2021 order appealed from providing neither party shall be awarded attorney fees is appealable of right. MCR 7.202(6)(a)(iv); MCR 7.203(A)(1). But the appeal of right is limited to that aspect of the order. MCR 7.203(A)(1). The other provisions of the March 24, 2021 order do not qualify as a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). Particularly, none of those provisions grant or deny a motion to change legal custody, physical custody, or domicile so as to qualify as a final order under MCR 7.202(6)(a)(iii). Thus, the claim of appeal is **DISMISSED IN PART** as to all aspects of the March 24, 2021 order other than the provision regarding the denial of attorney fees. Dismissal is without prejudice to the filing of a delayed application for leave to appeal under MCR 7.205(A)(4) as to the aspects of the March 24, 2021 order that are not appealable of right, provided such a filing meets all requirements under the court rules and is not time-barred.
